FOUNDED JUNE 17, 1961 - ST. ALBERT'S 100 ANNIVERSARY

Sept. 11, 1965 Vol. 5-33

St. Albert's Angela Hejburn crosses the finish line to capture first place in heat one of the Bantam Girls 100 yard dash at the Interprovincial Track Meet in Trail, B.C.

Council Meeting, September 2, 1965

Special Meetings of Council - Council decided to have a Special Meeting to discuss the duties of the Secretary Treasurer, and the Form of Government, for September 9th, at 8 P.M. A Special Meeting will be held on Tuesday, September 7th, 1965, to handle resolutions for the A.U.M. A Special Meeting will be held on Wednesday, September 8th, 1965 at 7:30 P.M. to discuss the swimming pool and school sites.

Street Light - Corner of Salisbury Avenue and Direction Signs - Councillor Bakker brought to the attention of the Council, that there is a street light which is in operation, at the Town's expense, on the corner of Salisbury Avenue and Highway #2. This light was apparent-

ly installed when it was planned that Salisbury Avenue would continue to go through to the Highway, but since this portion has been closed, and the light has never been removed, it seems only to serve the purpose of illuminating the service station site. Also, another point Councillor Bakker wished to stress was that the highway "You Are Here" signs, by the Chamber of Commerce, are incorrect, in that they have Salisbury Avenue running into Highway #2. Councillor Wheatley advised that he would look into this. Councillor Bakker moved that we requested the Town Engineer for a report regarding the street light on Salisbury Avenue, on the closed portion. This motion was carried.

By-Law 42/65 To Provide a Grant to St. Albert & District Chamber of Commerce - \$500.00 - Councillor Parkes moved the first reading of By-Law 42/65. Councillor Donais asked for clarification of this By-Law. Several Council members and Mr. Wheatley explained the procedure in regard to this By-Law, and that it was an annual item, and was included in

the budget. The question was raised as to whether curtailment of expenditures should apply to the Chamber of Commerce. Mayor Fowler stated that he felt that there was just cause in looking over all the expenditures, including the grants. The By-Law was now given first reading which was carried. Councillor Bakker moved that this by-law be referred to the Finance Committee for further consideration. Carried.

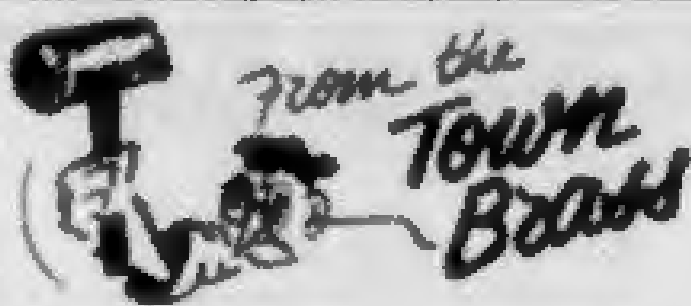

New Appointee To The Sturgeon Health Unit - Mr. Wheatley advised that Dr. Stewart is presently Council's representative to the Sturgeon Health Unit and that Dr. Stewart felt that a new appointment should be made at this time, to enable the Appointee the benefit of Dr. Stewart's briefing. Mayor Fowler moved that Councillor Donais be the new Appointee to the Sturgeon Health Unit at the time of expiration of Dr. Stewart's term on Council. Carried.

Bus Shelter - Sir Winston Churchill Ave. Mr. Wheatley brought to the attention of Council, a letter received from a resident at 9 Sylvan Drive, in regard to a bus shelter placed on Sir Winston Churchill Avenue in a location so as to create an invasion of privacy, etc. Mr. Wheatley explained to the Council members that these bus shelters locations were very carefully chosen so as to create as little or few problems to the surrounding residents and area. Also, that they were set out in these various locations on a trial basis only, that there were to be about 25 shelters and that only five were set out on trial. After a lengthy discussion the following resolution was presented: Councillor Donais moved that the explanation given by Mr. Wheatley be conveyed to this gentleman, and explain to him that the shelters are on a trial basis only. Motion carried.

Land South of St. Albert - Golf Course A letter was received from Country Wide Real Estate & Insurance, advising that they had 60 acres south of St. Albert, which is presently a golf course, for sale, and asked if the Town would be interested in a venture of this type. Councillor Bakker moved that a reply be sent advising that the Town is not interested. Carried.

Swimming Pool - Mr. Wheatley advised Council that there had been a number of letters received in regard to the swimming pool. Councillor Donais moved that the correspondence with regard to the swimming pool, be taken up at the Special Meeting set for September 8, 1965. Carried. At this point Mayor Fowler

left the meeting and Deputy Mayor de Bruijn assumed the chair.

Letter From St. Albert Protestant School Board Re: Access Roads - This refers to the poor condition of the access roads from Sir Alexander McKenzie and Paul Kane High School. The reason stated for the poor condition of these roads was thought that these roads are only temporary roads. The Letter requested "(a) permanent sidewalk access be constructed to the Sir Alexander McKenzie and Paul Kane schools in 1965, and (b) paved streets be constructed to the same schools prior to the end of 1966". After considerable discussion the following resolution was presented: Councillor Baker moved that Council defer this item to the Special Meeting of September 8th, 1965, when we will discuss school sites, and if possible, get a report from the Engineer on the problems involved. Carried. A letter was also read from Mr. A. Ralphs in connection with the above matter and it was suggested by Councillor Wheatley that a reply be sent to the writer. Councillor Donais moved that a reply be sent to the writer of this letter with the information that Council has this matter under consideration and that it will be dealt with in the best possible way. Carried.

Appointment of Welfare Department Case Worker - Mr. Wheatley advised Council, that Mrs. J.C. Bertsch was hired as Case-worker and Probation worker, and asked Council for confirmation of this appointment. Councillor Wheatley moved that the appointment be confirmed with the salary of \$395.00 per month, and a car allowance of \$35.00 per month. Carried.

Recommendations From The Town Solicitors Re: Claim - St. Albert Development Ltd.

Three recommendations resulted from the informal meeting of the members of Council and the Town's Solicitors.

1. Establishment of a committee from Council which would work as a liason between the Town and the Town Solicitors.
2. Mr. Wheatley should be temporarily relieved from his duties as Secretary-Treasurer, to enable him to devote more time to the pending law suit.
3. The balance of the land remaining under contract between the Town of St. Albert and St. Albert Development Ltd., in Grandin Park be reconveyed and the titles of the land to be reconveyed, be tendered to St. Albert Development Ltd. solicitors and the transfers put in trust with the solicitors for St. Albert Development Ltd., pursuant to the terms of the May 1960 Agreement.

Councillor Baker moved that the Mayor and Councillor deBruijn form the liason Committee with the Solicitors. Carried.

Councillor deBruijn moved that Mr. Wheatley be temporarily relieved of his duties as Secretary-Treasurer. Carried. Councillor Wheatley moved that the balance of the land remaining under contract between the Town and St. Albert Development Ltd. in Grandin Park be reconveyed and the titles of the land to be reconveyed, be tendered to the Solicitors for St. Albert Development Ltd., and the transfers be put in trust with the solicitors for St. Albert Development Ltd., pursuant to the terms of the May 1960 Agreement. Motion was carried.

29 Sylvan Drive - Memo From Mr. Roberts Mr. Wheatley read a memorandum from Mr. Roberts in which he stated that after several complaints from residents, the matter was investigated, and it was found that the old log house at 29 Sylvan Drive, is in a semi-demolished condition and that the present condition of the property could be a real hazard to the children playing in that area. Mr. Roberts was of the opinion that By-Law 20/54 should be brought to bear on the property owner. Councillor Parkes moved that Council give approval to proceed in the manner recommended. Carried.

Cancellation of Curling Rink Taxes By-Law 28/65 - Mr. Wheatley advised that the By-Law had now been given approval of the Minister of Municipal Affairs and that it should now be given second reading and third reading. Councillor deBruijn moved second reading of By-Law

ST. ALBERT BRIDGE CLUB

Last Monday, 2:15 A.M. in the morning, the Mission Avenue was the scene of an eighteen year old maniac who raced with his car at a speed of at least 65 mph. through the front gardens of four residences in this area. A boy and girl from Edmonton, the only occupants of a new Corvair, raced over the sidewalk in front of the residence of the Holowinsky family (80 Mission Avenue) through their potato crop, further through the front yard of the residence of the Lonsink family (82 Mission Avenue), just missing a power pole and further through the front yard of the residence of the Brown family (84 Mission Avenue) destroying the lawn and hedge and then

crashing the car of the Jansing family (86 Mission Avenue), and abruptly stopped in the front yard of this residence by a massive edge of soil, unable to drive further. These teenagers were on a pleasure trip after they had attended a wild dance party at the St. Albert Community Hall. The driver was without a driver's license as he used his mother's car. The front of Mr. Jansing's car was heavily damaged which means that Mr. Jansing, who works in Edmonton, now has to take the bus at 6 A.M. to be to work on time. The picture shows a part of the car route through the front gardens with Mrs. Brown and Mrs. Jansing still upset over this accident.

Two New Stamps To Be Issued

The Honourable René Tremblay, Minister General, today released details of two new commemorative postage stamps which will be issued by the Post Office Department on September 8, 1965. One stamp marks the Centennial of the selection of Ottawa as Canada's capital. It portrays the first Parliament buildings which were completed in October 1865. The fourteen million copies of this large stamp, designed by renowned artist Gerald Trotter of Ottawa, are printed in brown. The other stamp honors the September meeting in Canada's capital of 75 member nations of the Inter-Parliamentary Union, a world-wide organization that promotes personal contacts between parliamentarians of all nations and encourages the development of democratic institutions. The meeting is scheduled from 8th to 17th September. Sixteen million copies of this large stamp are printed in green. It is the design of Philippe-Gutkin and Associates from Winnipeg.

STURGEON HEALTH UNIT

In the Edmonton Journal recently, there was a report of a polio epidemic in the Lancashire town of Blackburn in England. At the time of the report there were 19 confirmed cases, 13 suspected cases and 1 death in a population of 15,000. Do we have to wait for a case to occur here, before parents realize that the adults as well as the children need to be protected against this dreadful disease? In the Sturgeon Health Unit area only 1/3 of the adults and about 1/2 of the pre-schoolers have received the first vaccine against poliomyelitis. The idea of a needle seems to frighten some people, but surely the prick of a needle is better than the disease. The staff of the Sturgeon Health Unit urge you to make every effort to have a complete series of the Salk vaccine for yourself and every member of your family and so be eligible for the oral Salk vaccine when this programme starts again at the end of the year.

UNITED CHURCH

St. Albert United Church News

Mrs. Musto and I would like to express to the Congregation, our sincere thanks for the warm welcome we have received into the church and this community. We pray that it won't be too long until we are acquainted with all the people of the congregation, and that our fellowship together will be warm and vital. We look forward to many years of service among you, and the people of St. Albert and district.

A hearty thanks is extended to the Rev. W.D. Jarvis of Braeside Presbyterian Church for his work in conducting the joint services in the United Church during the month of August.

The hours of worship will be resumed on the fall and winter scheduled at 11:00 A.M. this Sunday, September 12th. The Sunday School children will also register this Sunday beginning at 9:30 A.M. St. Albert Baptist Church

Vacations are over and it is back to school for everyone. The Sunday School will re-open next Sunday the 12th at 9:45 A.M. This will be an open session, but a very important one. You will be told of the activities which will be carried on for the next ten months. You will have an opportunity to join the Junior choir, to decide the day or evening for the C.G.I.T., Boys' Club, etc. It is a full program and there is a place for everyone. A Word to Parents - Maybe you do not go to church or even believe in God. This is your own affair and we respect your standing, but we think that your children should have the right to know about Him and then to decide for themselves. Don't you? In our Church and Sunday School we do not indoctrinate. We only try to find out what place God has in our modern world, and to give Him His rightful place in our lives. You and your children are invited to come and help us to find this all-important answer. After all God has been around for a very long time. Does He still have a place in this wonderful world of ours? The church service is at 11 A.M. If you need more information please phone the minister, Rev. James Joly, any morning at 599-7482.

September

We derive this name from the seventh month of the old Latin calendar - Septimus. In French it's septembre, and is not capitalized. It brings to mind a favorite song which lends itself well with a warning that winter is not far away. The color of the month is, and as Jack Paar would say, "I kid you not", Brown spotted with blue; the birthstone is Sapphire, meaning antidote to sadness. For this month the flower is Gladiolus. This cool weather plays havoc with harvesting, so important to us individually and to our nation's economy. Wouldn't it be marvelous to have protection for our crops such as we have tarps for our football fields and pavements for buildings? Being so susceptible to all of Mother Nature's whims may be a nightmare for those who plant various grains, from springs' richly prepared soils to autumn's sun drenched golden stocks. When warm weather returns and stays, harvesting will continue until all is done and brought for sale or kept for fodder. Good luck and a salute to our farmer friends!

Club Notes - The "Triple X" will be meeting Friday, September 17th at 8:30 P.M. in the Church. An evening of bowling has been arranged at Coral Lanes which will begin at 9 P.M. Those attending will then return for coffee at the church. The 3rd Guide Company will register for registration next Tuesday, September 14 in the R.C. Church basement.

The Marguerite D'Youville Auxiliary
The first meeting of the fall will take place on the 14th of September. All ladies are invited to attend who are interested in the welfare of the elderly. A Bingo has been planned for the 16th of September at 2:00 P.M.

Eileen Dodds School of Dancing
Once again we introduce Eileen Dodds, teacher of Tap, Ballet, Baton, and modern Jazz. To accommodate those who have asked for it, a keep-fit to Hawaiian Dancing for Mothers has been started. Doesn't that sound tempting? To assure you, Mrs. Dodds has been teaching for 20 years and has successfully prepared pupils for Royal Academy. Her Tap students have won awards in various competitions, as well as those in her Baton classes who are recipients of trophies and medals. Eileen Dodds' Majorettes are featured at the weekly Football Half-Time Shows for the season. During Klondike week, the Eileen Dodds dancers were featured in the downtown Edmonton entertainment, which involved so much publicity and favorable comment because of its uniqueness in the area.

WELCOME

Welcome to the Western Catholic Reporter. We had the pleasure to receive the first issue of the new Western Catholic Reporter. The setup of this new paper is very progressive and we have enjoyed reading this paper very much. Our local resident, Mr. Frank J. Dolphin, is the Associate Editor of this Weekly. What has impressed us the most was the clear, understandable statement that this paper is published for the People of God of Alberta. As said in one of the constitutions on the Church: Vatican Council II that "All men are called to belong to the new People of God . . . The state of this People is that of the dignity and freedom of the Sons of God, in whose hearts the Holy Spirit dwells as in His temple." We wish the Western Catholic Reporter all the success with their so important message to the People of God.

NOT WELCOME

Elsewhere in this issue we published a picture of a car accident caused by irresponsible driving of a teenager (without a driver's license) on Mission Avenue. There are no words enough to condemn this brutal invasion on the properties of four St. Albert residences. Not any human respect was shown before, during or after the accident by the driver. Not even a whole heartedly apology came from the mouth of the delinquent. The appearance of this teenager and the miserable attitude of some of the many other attendants at this wild dance party in the St. Albert Community Hall cannot be tolerated again. We are pleased to say that not one of our St. Albert teenagers was involved in this chaotic spectacle. Our community hall should not be available to a band of rebels causing very unpleasant troubles which has upset, so late in the evening and so early in the morning, many of our citizens. Some downtown store owners had to rush down early in the morning to their businesses to be sure that their property would not be damaged. We want peace and order in our Town, not vandalism or any other kind of love for destruction. As the R.C.M.P. was not informed regarding the kind of such a 'Wild West Party', not any special preparation could be made to avoid these troubles. During the same night, a window was smashed at the Medical Centre and a radio was stolen. As the original location for these dances were at Alberta Beach, but the hall was burned down, St. Albert had the honor to be chosen as the next operation area for these regular dance events! Our Town welcomes with great pleasure all teenagers and adults, as many as possible, as our honorable guests but we do not hesitate that the above mentioned trouble makers are absolutely not welcome!

LOCAL GIRL BROKE 100 YARD RECORD

St. Albert Athletes Triumph in B.C.'s Hot Bed of Track and Field - Last weekend, six athletes from the Hercules Track and Field Team travelled to Trail, B.C. for the second Interprovincial Track and Field Meet. Maureen Gilchrist who has been an outstanding athlete this year really showed her prowess by running away from the rest of the field in the 100 Yard Dash final. She also broke the existing track record by 5/10 of a second. Angela Heyburn, another outstanding young athlete came in third in the same race and also broke the Track record.

Cliff Jones, running in really tough competition in the 880 yards final, came in fifth with a time of 2.25.

Sandra Moorby ran in the Midget 100 yard dash and 220 Yard dash but did not place for the finals.

Gail Love developed a sore muscle in the warm up and had to be scratched.

Doug Kowalczyk who looks like an outstanding Bantam miler could not get into competition because of lack of competitors in that class. Competitors from Vancouver, Richmond, Burnaby, Okanagan Valley, Spokane, Lethbridge, Calgary, Edmonton and many other places were on hand to make this one of the most outstanding meets in the Country.

We are indeed happy to see our St. Albert boys and girls do so well in such tough competition and wish them the best of luck in the forthcoming Northern Alberta Championships.
